COMMUNITY FUNDRAISER!

Autonomous Robotic Vehicle Project

\$2,161.10

\$2,500

\$5,000

\$7,500

\$10,000

Donate: bit.ly/ARVP_Fundraiser

This weekend, ARVP held our annual Showcase to demonstrate Arctos' capabilities and engage with the community. It also served as the opening to ARVP's Community Fundraiser, which aims to amass \$20k for our next robot and a workspace revamp. Thank you to everyone who came out!

Currently, we've received \$2,161 CAD! We'll continue to share a brief update bi-weekly until the end of May as the fundraiser progresses!

If you're interested in donating to help our community grow in scope and reach, you can donate using the [donation link](#) or click the progress bar above. Links are also available on our website or at the end of the newsletter.

Alternatively, if your company is interested in sponsorship to gain access to our member resume database or to brand Arctos with your logo, check out our [sponsorship package](#) and send us an email!

Another big BIG thank you to all sponsors, partners, faculty members, alumni, family, and friends who have donated and shown support in various other ways. We're only able to push ourselves to build great things and support our

students because of the wider community's help. 😊

Best wishes from the members of ARVP.

ACCOMPLISHED TASKS ✓

✓ 2024 Community Showcase!

✓ Fundraiser Commenced!

✓ Survived Finals!

MEMBER QUOTE 😊

"Are you color blind?"

- Stevie Desmarais (Mechanical Co-Lead)

"Yes"

- Adam Marshall (Mechanical Member)

"Why are there so many color blind people in the club??"

- Stevie Desmarais (Mechanical Co-Lead)

ARVP Community Showcase

Yesterday, ARVP had the pleasure of inviting out our community to showcase Arctos! It was a pleasure catching up with alumni, sponsors, faculty members, and friends! It also served as a kick off to our new robot fundraiser. 🥳

Not to worry if you weren't in person, you can still donate at bit.ly/ARVP_Fundraiser. Our fundraiser will end on the last day of May 2024! We'll be sending weekly updates on our target progress, so be sure to sign up on our newsletter.
